PROPOSED SCHEDULE FOR SUBMITTAL OF THE FINAL PLAN FOR PREVENTION OF
CONTAMINANT DISPERSION AND RESPONSIVENESS SUMMARY - JMK-0983-91

This letter is written to inform you of the proposed EG&G Rocky Flats schedule for delivery of the final Plan for Prevention of Contaminant Dispersion (PPCD) and Responsiveness Summary (RS) to the Environmental Protection Agency (EPA) and the Colorado Department of Health (CDH). Based upon the level of effort to respond to comments by EPA and CDH on the proposed final PPCD and RS which was submitted to EPA and CDH on November 25, 1991, we anticipate that the revised documents can be prepared for submittal to the agencies no earlier than February 21, 1992. This date is consistent with dates discussed in our December 5, 1991, meeting with the agencies.

If you have any questions or concerns regarding this letter, please contact D. M. Smith of the Remediation Programs Division at extension 5958.
